**September-December 2024**

Help your High Potential Teammates rise to the top through the ABC Nevada Rising Leaders Training Camp powered by Xs & Os of Success!

**Using key tactics and leadership methods from the worlds of sports and business, rising leaders in your organization will obtain the skills, discipline, and competitive drive necessary to perform at the highest level in any business setting.**

Our training camp examines the traits of championship teams, leaders, and performers. We provide a game plan for creating an environment where performance is valued over self-promotion.
